Why to wait two years or longer to purchase a new Seventy 7, when this model is available now? Just launched in February 2019 in France, this universe of elegance is available now for viewing in the Mediterranean and then during the following winter month in St Barth in the Caribbean. This model is a three cabin owner version with an additional crew cabin on the starboard side. The owner suite is unmatched in elegance, comfort and privacy. The sophisticated hydraulic hull door transfers into a unique private swimming platform with direct access to the sea. Compromises do not exist on this 2018 model as it has been loaded with the most poss...
